

Eric Beschinski

Greenfire Innovations

Propelling Entrepreneurs Towards Their Ideal Destination

International Bestselling Author | Nationally Acclaimed Speaker | Entrepreneurship Expert

Eric Beschinski is an entrepreneur, business consultant, speaker, and adjunct professor of business at Valparaiso University. As Chief Navigation Officer for Greenfire Innovations he is also a "B2B Missionary"; his higher purpose is helping organizational leaders find & fulfill their purpose then take their organizations to their next Ideal Destination.

The iNautilus™ methodology he developed over the last 15 years is designed to provide a visual, progressive, functional system of organizational navigation (strategy + execution). With 20+ years as a business-owner and over a decade in the financial services industry, Eric combines a strong mind for details with an eye for the big picture to bring a holistic perspective to business and personal development.

He has authored 3 books, including Cracking The Rich Code Vol 7 in partnership with Jim Britt & Kevin Harrington which was also endorsed by Tony Robbins. Eric has spoken on podcasts, radio shows, a Roku TV show, and national conferences.

“Working with Greenfire Innovations has helped my firm have clarity in its journey toward its Ideal Destination.”
